ABOUT US

Planning, Architecture & Project Supervision

Archdeck Associates has been practising since August 2018, founded by Architect Abhishek Goyal (B.Arch, M.Plan – Housing). The firm works as a single point of contact across planning, architecture, project supervision and feasibility, and is registered with government bodies including the Town & Country Planning Department, HSIIDC and various Urban Local Bodies Departments.

The team of architects, designers, vendors and consultants has delivered residential, commercial, industrial and institutional work across Haryana and the NCR. To date the practice has completed approximately 15 projects and has a further 8 underway, spanning commercial, institutional, industrial and residential categories – with a particular depth in industrial sheds, logistics warehouses and cold storage facilities.
